## ACCU-DART Reseller Conference Registration Open!

Now is your chance to register for the 3rd Annual ACCU-DART Reseller Conference, October 26-27, 2008 in Toronto!

The ACCU-DART Reseller Conference is the ideal place to become an expert on ACCU-DART. If you are just starting out and want more information on how ACCU-DART works, want to discover new sales & marketing ideas, or would like to meet and collaborate with other ACCU-DART resellers, this conference is for you!

"This is a must attend for anyone that wants to sell and use this product. We left with so many ideas that would not have occurred to us had we not attended" – Patty Sullivan, Dominion Software Consulting.

**Register before September 5, 2008 and save over \$100 off the registration fee!**

Please download our [registration form here](#), or visit [www.accu-dart.com](http://www.accu-dart.com) to learn more about this great conference.

## ECI Welcomes Justin Pearl

Executive Concepts Inc would like to welcome our new employee, Justin Pearl, to the ACCU-DART team. Justin will be working with our resellers to help promote and sell ACCU-DART to their clients/prospects. Please feel free to contact Justin if you have any questions about our product and how it can fit your clients' needs, or if you would like to schedule a web demo.

Justin can be reached at 888-324-7877 ext. 119 or [justin@accu-dart.com](mailto:justin@accu-dart.com).

## Upcoming Events: TPAC

The Third-Party Advantage Conference (TPAC) is fast approaching! We are very excited to be exhibiting and presenting a session at the TPAC Conference August 17-19, 2008 in Vancouver.

Join us for our exciting session: "ACCU-DART Made Easy – Live Demonstrations". We will demonstrate both the ACCU-DART software and R/F hardware that makes ACCU-DART an essential tool for your clients. Discover first hand how easy ACCU-DART is to use.

We will also be exhibiting at Booth #15, so please come by and meet our team, or attend our session to learn more about ACCU-DART.

For more information about TPAC, please visit [www.tpac.biz](http://www.tpac.biz).
